WARDROBE BOKA

THE KEEPER OF YOUR BELONGINGS THAT YOU WILL
WANT TO KEEP

The Boka wardrobe is an extremely practical space where you can store all your child's things.

Due to its very simple timeless design, the Boka wardrobe fits into any space and becomes part of the furniture that you will always want to keep. The wardrobe consists of a large box with a door and two shelves, the position of which can be adjusted. In addition to the large box with doors, the wardrobe also has two practical storage drawers. On the inside of the door there are reinforcements that prevent the wardrobe from bending. Also, in addition to securing the door, the upper reinforcement can also serve as a hanger with three places for hanging clothes.

BOJA TABLE & CHAIRS

A PERFECT COMBINATION OF FANTASY AND REALITY

Table and chairs Boja will brighten up your child's everyday life. Made of solid beech wood, with rounded edges, they provide complete safety for your children. Unique in its design, the Boja table has 3 holes on its top, in which you can place 3 wooden inserts that resemble different shapes of mushrooms.

One such hole is located in the middle of the chair, so it can also become a setting for a game in addition to a place to sit on while using the table. Inserts can be used as toys that will help your child develop motor skills and creativity.

Each of the inserts is cut so that it can also be used as a bowl, a place to store snacks and sweets, as well as crayons, play doh and other items that the child will use at the table.

The Boja table and chair are available in natural color, and the inserts for the table come in three shapes and three different colors.
